She still has lots of uncooked spaghetti in her basement and there were also meatballs remaining.

Vicki mentioned that she thought everybody did a wonderful job on the Spaghetti Dinner!

New Business

Barnes and Nobles – Kate Everhart

Mentioned that she is putting inserts into the Friday folders.

Also discussed how the coupons (which are now also on the music department website) can be used at Barnes and Noble locations other than just the Pickerington store where the students will be performing on December 12th.

Musical lineup will be as follows: Elementary students in morning, High School students in the afternoon and Middle School students in the evening.

High School Solo and Ensemble – Mr. Shook and Ms. Costa

Students are picking out their music this week.

More Fundraisers – Kate Everhart and Karen Loth

They discussed the Hornet Lights, similar to those given to Directors at Spaghetti Dinner.

Anthony Thomas Fundraiser – Jodi Mays

It was discussed how the students must prepay for the boxes of candy and then was decided to forego additional discussion until later.

Concession Stand – Terry Shook

Indicated that a profit of \$2,293.81 was realized from football games this fall.

There are cans of pop left over that are still in concession stand. Mr. Shook mentioned that the pop cannot be left out there all winter as the concession stand is not heated, so something must be done with them. **(update: Vicki moved all the pop into the coolers)**
